

תודה רבה לך על כל מה שעשית עבורנו

We can't thank you enough for what you have done for us. Without your help, it would have been extremely difficult to have made our wedding. With your help, we were able to make a beautiful wedding with enough room for all of our friends. Being that we are both orphans, we didn't have parents that could pay for the wedding. May you be *atzil* to help many other people in a similar situation. May ~~they~~ *they* pay you back 1,000 times for the help you gave us. May you be *atzil* to make many *simchot* of your own! We are sorry you didn't receive our letter earlier.

Sincerely yours,

~~Abba~~ and Bracha Schapiro.
