

דברך קרן נהנה לך:

The Kallah and the Chatan thank you from their hearts for making their chatuna so special.

"It was so beautiful to see Klal Yisroel come together to help these unfortunate yidden with no family to share in their simcha.

As the <sup>mesader</sup> mefar Kiddushin said, we have Sephardim, Ashkenazim, Chassidim, Teminim Israelim, Chutznikim all coming together to do a mitzvah gedolah."

It was a real Kiddush HaShem.

HaShem should bless you and enable you to continue your Holy work.

בברכה,  
ר' אהרן
