

Dear Sir,

My heart overflows
with gratitude as I write
this. Because of your deep
love of Am Yisroel and
Hashem's mitzvos, my
youngest daughter, who was
orphaned 10 years ago,
will be able to have a
wedding in a respectable fashion.

You have a tremendous z'chus
(privilege) to help orphans build
their families joyously. May the
Al-mighty bless you always with
unlimited good health, satisfaction
and "nachas" from all your
dear ones.

Sincerely,

Chaya Sara Cohen
