Dear Simchas Zion,

I would like to thank you for your kind, generous help to make my ~~דאס~~ all so special and beautiful.

Please G-d, we should be ~~אזוי~~ to build ~~אזוי~~, that is truly based on ~~אזוי~~ and ~~אזוי~~ in Israel, and that you should be able to continue helping other such couples at this most important juncture of their lives.

With deep gratitude  
and appreciation,

~~אזוי~~
